Information About The Live Classes

Course Overview This comprehensive 3 to 9 months mentorship program is designed to take you from a complete beginner to a skilled storyteller. Over the course of 95+ structured live sessions, you will learn the entire animation pipeline—from basic concepts to creating detailed animated stories.

Class Schedule & Format

Platform: Live interactive sessions via Google Meet.
Duration: 3 t0 6 Months (Total 95+Classes).
Session Length: 1 Hour per class.
Batch Timings:
Evening: 09:00 PM – 10:00 PM

Weekly Class Frequency To ensure a strong foundation, the course follows a phased schedule:

- Phase 1 (Weeks 1 & 2): 3 classes per week (Mon, Wed, Fri) for intensive learning.
- Phase 2 (Week 3 onwards): 2 classes per week (Mon & Fri) to allow ample time for practice and assignments.
- Student Support & Resources

Small Batch Size: We maintain a strictly limited batch size of 5 to 10 students to ensure personalized attention and 1-on-1 guidance.

Live Q&A: You can ask questions during the live session or immediately after. All doubts are resolved instantly.

Lifetime Access: Every live class is recorded and shared via a private Telegram Group, along with practice files and assets. This allows you to revise lessons and practice at your own pace.

Software & Syllabus Policy

Tools Covered: The training focuses exclusively on industry-standard tools: Adobe Animate CC (for Animation) and Adobe Premiere Pro (for Video Editing).

Syllabus Adherence: The course strictly adheres to the provided syllabus to ensure mastery of these specific tools. No other software will be covered.

Additional Training:

Topics outside the syllabus may be available as paid add-ons.

Note: However, if the instructor identifies a need for additional clarity on core topics, complimentary extra sessions may be provided at
